Z-POS Series

The Best hit model Z-POS has the powerful features and smart design. Z-POS is two-tone black and white, curved edges for a modern look and focuses on a user-friendly design. The first product in Korea adopts the frame Touch technology and 9.7-inch Dual Monitor option. The I/O (input/output) ports have been placed on the top of the panel, to aid ease of installation and hide cabling. Z-POS has adopted hand-screws to the MSR, HDD and Main Board to further increase ease of installation, servicing and user friendliness.
